Please arrive early on 3/21 and be ready to go with your entire team 5-10 mins before your scheduled picture time.

I did my best to put teams at the most opportune picture time for their games with what I have available but I do understand that some are still not the most ideal. You are welcome to come extra early for pictures if your pic time is closer to your game and we will fit you in earlier if we can. There will be 4 photographers this year so hopefully things go quickly!

As always, please arrive early, allow time for parking since it will be a BUSY day, and bring all your patience! It's only one day and we will get through it together!

Thank you for your patience and understanding!
